

- **DESCRIPTION.**

Set of metallic multisport for tennis, made of 80X2 round tubes S-235-JR quality, they have some mechanized plates by laser to place the net guide pulleys at the specified height in the game regulation.

The net height on tennis is 1070 mm.

The tensioning of the net is realized through the ratchet.

The correct positioning of the posts that the normative gives is achieved burying them directly in the ground at 40 cm depth.
